## **COVID-19 Donation Guidelines**

As demand for medical supplies increases during the COVID-19 pandemic, medical providers are facing a shortage of Personal Protective Equipment (PPE) such as masks, gowns, gloves and face shields. Many local mental health and substance use treatment providers, doctor's offices, long-term care facilities and hospitals are taking careful inventories, implementing stringent practices to preserve supply, and soliciting donations from community members and businesses. Credo has had people reach out to make donations. **We thank you and are so grateful for your generosity!**

Below is our general guidance for those who wish to make donations during the COVID-19 pandemic.

### **Homemade Personal Protective Equipment (PPE) Donations:**

According to the Centers for Disease Control and Prevention (CDC), fabric masks and gowns can be used as crisis response options when other supplies have been exhausted. A number of community members have expressed interest in sewing and donating these items, which we very much appreciate! For the safety of our staff and patients, we do ask that homemade items meet the requirements listed below.

### **Important Infection Prevention Notice:**

Before you begin making PPE items to donate, please ask yourself the following questions:

- Have you been in contact with anyone suspected or confirmed to have COVID-19 in the past 14 days?
- Do you have a fever, cough or shortness of breath?

If you answered **"NO"** to both questions, **please proceed** with your project.

If you answered **"YES"** to either or both questions, **please do not make PPE** to donate.

### **If you have symptoms or concerns about COVID-19, please call:**

- Samaritan Medical Center hotline: (315) 755-3100
- Lewis County General Hospital hotline: (315) 376-9678.
- NYS Novel Coronavirus hotline at 1-888-364-3065

### **Coordinating your donation:**

For everyone's safety, we ask that you please contact us to coordinate when and where you should drop off your donation. If you are ready to schedule a time to drop off your donation, or if you have any questions, please email [korins@credocc.com](mailto:korins@credocc.com) or call (315) 788-1530 ext. 100.

**THANK YOU!**
